METALLBANDSÄGE

A detailed photograph of a NOLL BS-225 band saw machine. The machine is a vertical band saw with a large, heavy-duty cast iron frame. A large, toothed band saw blade is visible on the left side. The machine is equipped with a two-stage motor, a quick-tensioning screw mechanism, and a guide system with 8 ball bearings. A hydraulic lowering mechanism is also present. The machine is mounted on a base with a coolant system. A warning label is visible on the front of the machine, and a control panel with a switch and a pressure gauge is located on the right side. The background is dark and industrial.

NOLL

VORTEILE

- 2-stufiger Motor, 36 + 72 m/min
- Schnellspann-Schraubstock
- Bandführung mit 8 Kugellagern
- Hydraulische Absenkung regelbar
- Sägebandspannung mit Spanndruckanzeige und Bandbruchabschaltung
- Maschinenunterschrank mit Kühlmittel-einrichtung

The image shows a NOLL BS-225 band saw machine in a dark industrial setting. The machine is primarily black with some grey components. A large, curved arm extends from the top, holding the saw blade. The blade is a continuous loop, with a red section visible. The machine is mounted on a sturdy base. In the foreground, there are various control knobs and a red emergency stop button. The background is dark, emphasizing the machine's form.
